

G-200 Assembly Instructions

WARNING!! This chair is intended for ground use only. Never use on a treestand or elevated position. Failure to heed this warning can result in serious injury or death.

TIP: Install all bolts before you tighten any nuts and assembly will be easier.

Connect the seat post to the seat using four $1/4"$ x $1-3/4"$ bolts. Place washers under the head of bolts and under nuts as seen in image.

Seat Post

Connect the ring to the legs using four $1/4$ x $2-1/2"$ bolts, place washers under the head of bolts and under the nuts
